

## Memorandum

**TO:** TOUCH FOOTBALL AUSTRALIA MEMBERS  
**FROM:** MARK SPEAR – EVENTS AND COMPETITIONS MANAGER  
**SUBJECT:** 2013 X-BLADES NATIONAL YOUTH CHAMPIONSHIPS INFORMATION  
**DATE:** 6 MARCH 2013

Please find enclosed some information for the Touch Football Australia 2013 X-Blades National Youth Championships (NYC).

### Future Dates

As notified prior to the 2012 NYC, we had been advised of various issues with the proposed dates. The proposed dates for the next three years are as follows:

- 2013 NYC – Wednesday, 11 to Saturday, 14 September 2013
- 2014 NYC – Wednesday, 17 to Saturday, 20 September 2014
- 2015 NYC – Wednesday, 16 to Saturday, 19 September 2015

The event has normally also been in the second last week for New South Wales Schools but was the last week for 2012 and will line up with the Queensland School term for the next three years.

There has been feedback that the event now clashes with some school events.

We surveyed date preferences after the 2012 NYC and the responses were split about having the dates as proposed or bringing them forward a week. We have subsequently undertaken broader stakeholder feedback on the proposed dates.

We understand that the change of dates will not suit everyone and may impact the strength of some teams participating. The determination above has been made after detailed assessment of all factors.

### 2013 NYC – Date Change

Taking all the information into consideration, we have decided to move the 2013 NYC to **Wednesday, 11 to Saturday, 14 September 2013**. The impact of this date will be assessed post event.

We do apologise for the time taken to come to this decision but needed to work through all the issues feedback and venue availability. Therefore we did not advise of any dates until confirmed. Unfortunately this process has resulted in logistical elements leaving no alternative than the dates notified above.

We are now working through the proposed date issues for 2014 and 2015 as venue availability is difficult in early September due to respective football finals, calendar considerations and other community events.

We will advise of the outcome in due course with a view to this occurring immediately after the 2013 event.
